Final year Project Work Diary

Academic Year: 2023-2024

Project Title: Training and Placement Management System.

Project Group No: 03

Project Group Members:

Sr No.	Name	Roll No.	Exam Seat No.
1	Ms. Kartiki Badagu	03	2062231242040
2	Ms. Nikita Bahirgonde	04	2062231242063
3	Ms. Reshma Dhadake	15	2062231242095

Project Guide: PROF. S. S. KONDA

Project Schedule

Month	Week	Project Activity
January	Week 4	Formation of project group
February	Week 1	Finalization of project idea
	Week 2	Finalization of project title
	Week 3	Study of existing systems
	Week 4	Literature survey & Literature Review
March	Week 1	Project Abstract & Project Analysis
	Week 2	System Architecture
	Week 3	Study of UML Diagrams
	Week 4	Design Front-end Forms
April	Week 1	Database Connectivity of User-Side Forms
	Week 2	Presentation and Reporting
	Week 3	
	Week 4	

Project Progress Sheet

Semester – II

Activity week: January Week 4 From 23/01/2024 to 31/01/2024

Activity according to schedule:

1. Formation of project group

Group is formed with four members in a team.

Date: 31/01/2024   Guide / Co-guide

Activity week: February Week 1 From 01/02/2024 to 09/02/2024

Activity according to schedule:

1. Finalization of project idea

Work done:

Choosing the right final year project topic holds paramount importance, so according to the demand and requirement in a society the project idea was finalized on the basis of study/research of society.

Date: 09/02/2024   Guide / Co-guide

Activity week: February Week 2 From 10/02/2024 to 17/02/2022

Activity according to schedule:

1. Finalization of project title

   According to the research done on the requirements of society and considering the project background the project title is finalized as "TRAINING AND PLACEMENT MANAGEMENT SYSTEM."

Date: 16/02/2024   Guide / Co-guide

-

Activity week: February Week 3 From 19/02/2024 to 24/02/2022

Activity according to schedule:

1. Study of existing systems

   Work done:

   Studied/Researched on the existing system, analyzed the gap of difference in the form of many different required services.

Date: 24/10/2022   Guide / Co-guide

Activity week: February Week 4 From 26/02/2024 to 29/02/2024

Activity according to schedule:

1. Literature survey

Work done

   Throughout many researches and understanding of requirements of project as well as system the literature survey is completed.

2. Literature Review

   Work done:

    According to the literature survey and the requirements literature is formed.

Date: 29/10/2022   Guide / Co-guide

-

Activity week: March Week 1 From 01/03/2024 to 08/03/2024

Activity according to schedule:

1. Project Abstract

By understanding the requirements of system and highlighting the major points of research and explaining why work is important, what is the purpose, actual work flow, learning and conclusion the abstract is formed.

2. Project Analysis

Work done:

According to the literature, researches and abstract and understanding the work flow, requirement the analysis of project is completed.

Date: 7/03/2024   Guide / Co-guide

Activity week: March Week 2 From 09/03/2024 to 15/03/2024

Activity according to schedule:

1. System Architecture

1.   Work done

Considering the work flow, requirements, modules of project system architecture diagram is completed

Date: 14/03/2024   Guide / Co-guide

Activity week: March Week 3 From 16/03/2024 to 22/03/2024

Activity according to schedule:

1.Study of UML Diagrams

1.   Work done

Considering requirement specification of Training and Placement draw ERD and DFD diagrams.

Date: 21/03/2024   Guide / Co-guide

Activity week: March Week 4 From 23/03/2024 to 30/03/2024

Activity according to schedule:

1. Design Front-end Forms

Work done

    Created Homepage and front end forms such as student registration , employee signup , employer signup, admin side forms,etc.

Date: 29/03/2024   Guide / Co-guide

Activity week: April Week 1 From 1/04/2024 to 06/04/2024

Activity according to schedule:

1.Database Connectivity of User-Side Forms

 Work done:

 Connected user side forms with database using PHP myadmin.

Date: 06/04/2024   Guide / Co-guide

Activity week: April Week 2 From 08/04/2024 to 13/04/2024

Activity according to schedule:

1. Presenting Work Report

Work done

Presented work status about project. Presented work done till now and what should do next, etc.

Date: 13/04/2024   Guide / Co-guide

Project Coordinator   **HOD**
